

Directions to KC Small's office space at 606 Ten Rod Rd, North Kingstown, Suite 201

My office is in the “606 Building” located behind the larger Lafayette Mill buildings along Ten Rod Rd. Park to the right of the “606 Building” and come through the entrance with the deck structure. In the lobby, go up the stairs directly ahead of you (there are bathrooms here and upstairs if you need them). At the top of the stairs, turn right, go past the bathrooms, and through the hall door. My office, Su201, will be directly ahead.

The entry to my office is on the right side of this building.
